Carousel was presented to sell-out crowds on March 26 through 30. This performance followed fifty-four years after the debut performance held in Budapest, Hungary.

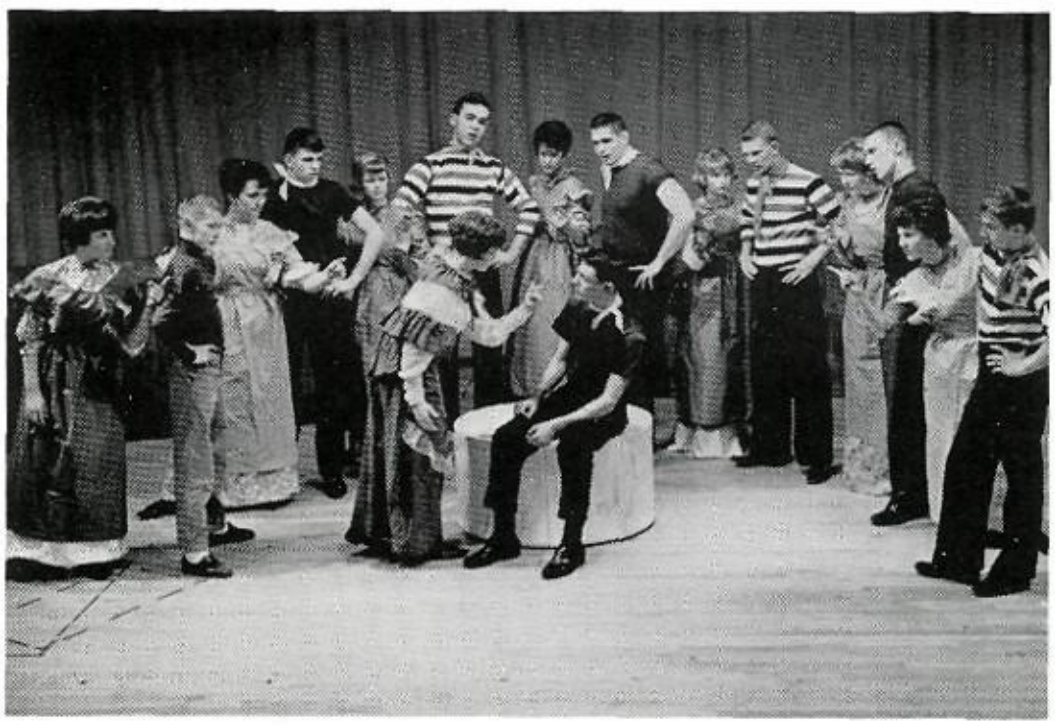
Carousel is a musical adaptation of Frederic Molnar's classic drama, *Lliom,* presenting a romantic view of life with the seriousness and contradictions of human nature.

Linda Zone played the part of Julie and Dave Hakken played the part of the "good-for-nothing" Carnival barker, Billy.

This musical was the highlight of the Drama Department's undertakings throughout the year. In all, over one-hundred students participated in the gala event. Mr. Gene Rucker directed the show.

". . . your services are no longer required . . . you're *bounced!*"

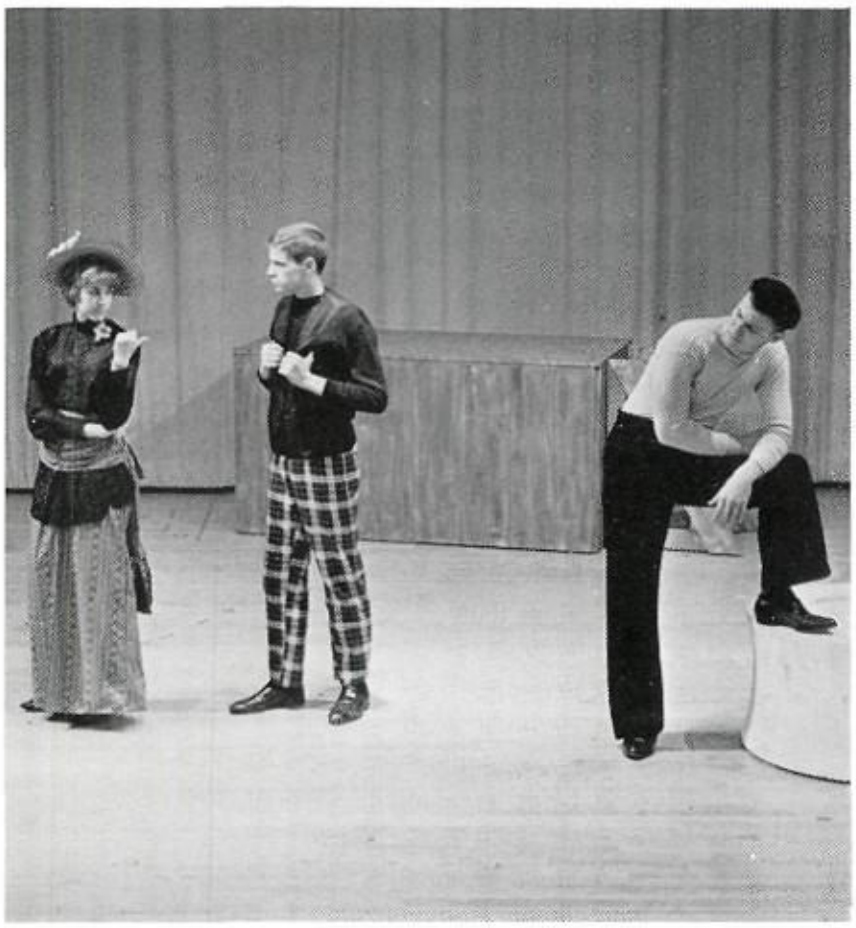
". . . Who's old sideburns?"



"You'll get no drinks or vittles 'til we get across the bay."

"Oh, no, Miss Innercence! And he didn't put his arm around your waist neither."

". . . June is bustin' out all over, all over the meadow and the hill!"



". . . you keep away from him that's all . . . or I'll get the cops after you."

". . . Julie . . . Julie."

". . . why jest to see yer lovely smile—I'd swim through beer with my mouth closed."

"Don't call me darling—Let go my arm!"

"... When you walk down the aisle all the heads will turn ..."

The senior class officers are Rodger Borgman, President; Duane Overbeek, vice-president; Judy Kittridge, secretary; Larry Wanrooy, treasurer.

Dr. Erwin Lubbers, former president of Hope College led commencement exercises for the graduating seniors of the class of 1963. Long will this class remember West Ottawa High School as their school. It is with nostalgia and perhaps a bit of sadness that this school year has come to an end.

To the underclassmen we can only say "Keep up the tradition of West Ottawa High School."

Hopes for a Grand Valley championship in 1963 grew brighter as the underclassmen led the way in cross country. Only one out of the top seven runners on the team was a senior, but this didn't bother Coach Bredeweg's harriers as they defeated five foes and tied one.

West Ottawa's basketball team enjoyed the best season in their short history this year. Brilliant outcourt shooting, strong rebounding, a sizzling fast-break, excellent team work, and some fine balanced scoring lead the mighty Panthers to their first league championship. Coach Jack Bonham is to be congratulated for the great job that he has done this year, and we hope that he will continue to turn out many fine teams in the future seasons.

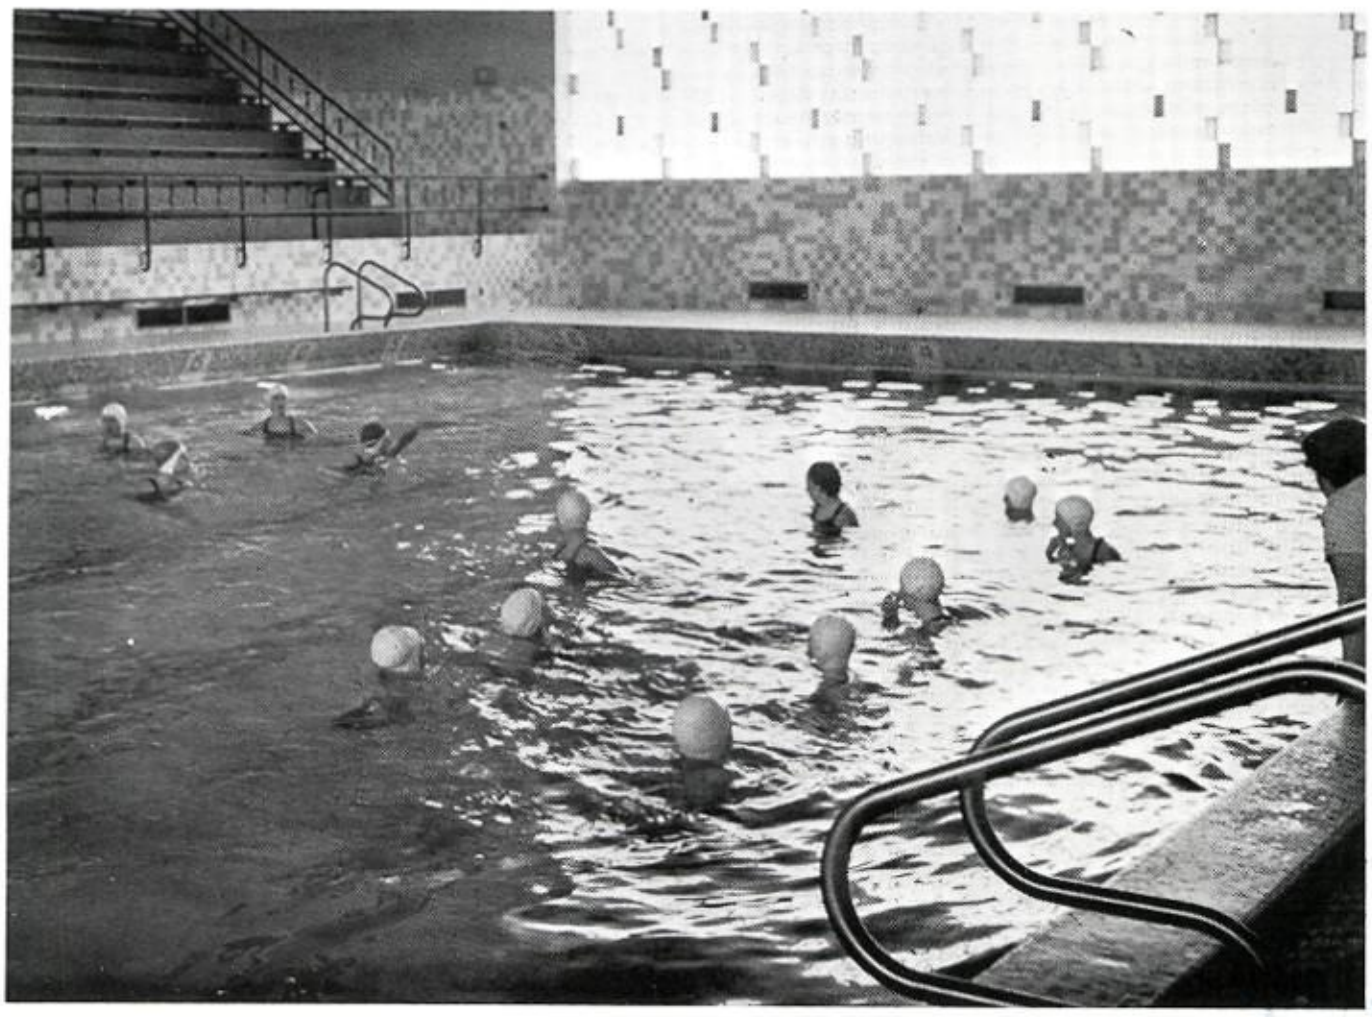
Synchronized Swimming



Those Mondays after school will never be forgotten, at least not by the Girls Swimming Team. Under the capable supervision of Miss Mary Krieger these girls worked many long and hard hours to make us aware of the fact that the pool can be used in many ways. These girls have learned the technique of water ballet and will make much use of it.

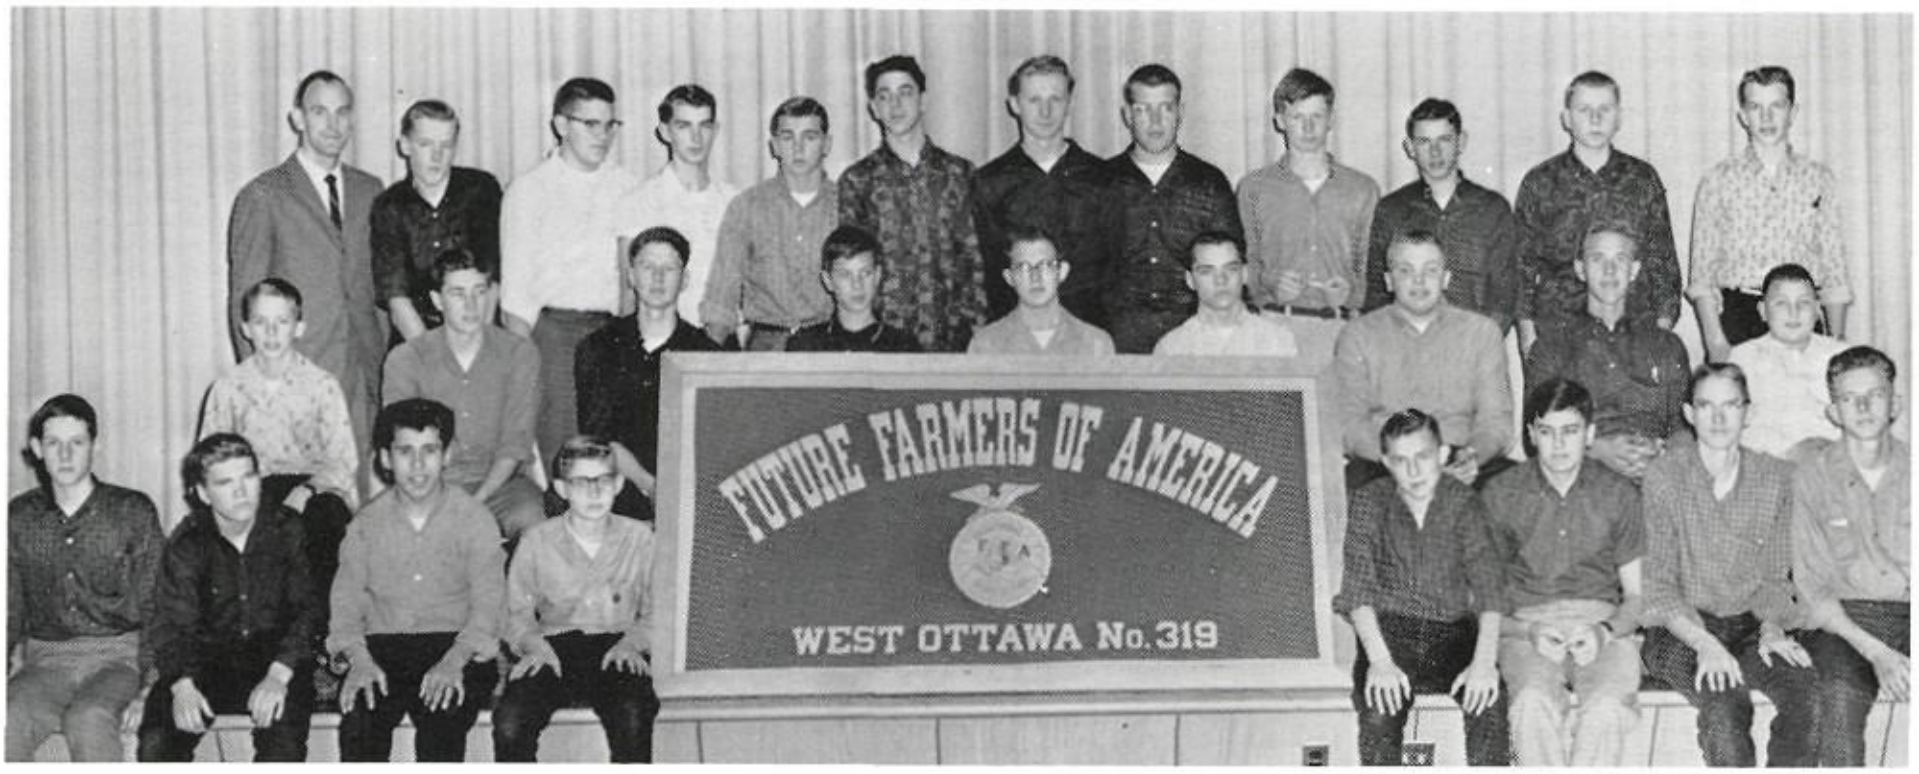
Future Farmers of America



Under the able leadership of Mr. Ed Doudy, the West Ottawa Chapter of the Future Farmers of America provides leadership, training, and material to be used by the future agrarians in character building. The local club participated in many chapter activities besides their own projects of selling flower seeds, potatoes, and Christmas cards.

Youth for Christ

Youth For Christ is an organization allowing any interested student to join in discussion of religious character. During their schedule the Club had many interesting guest lecturers who proved highly stimulating.

"Mr. Barry's Etchings"

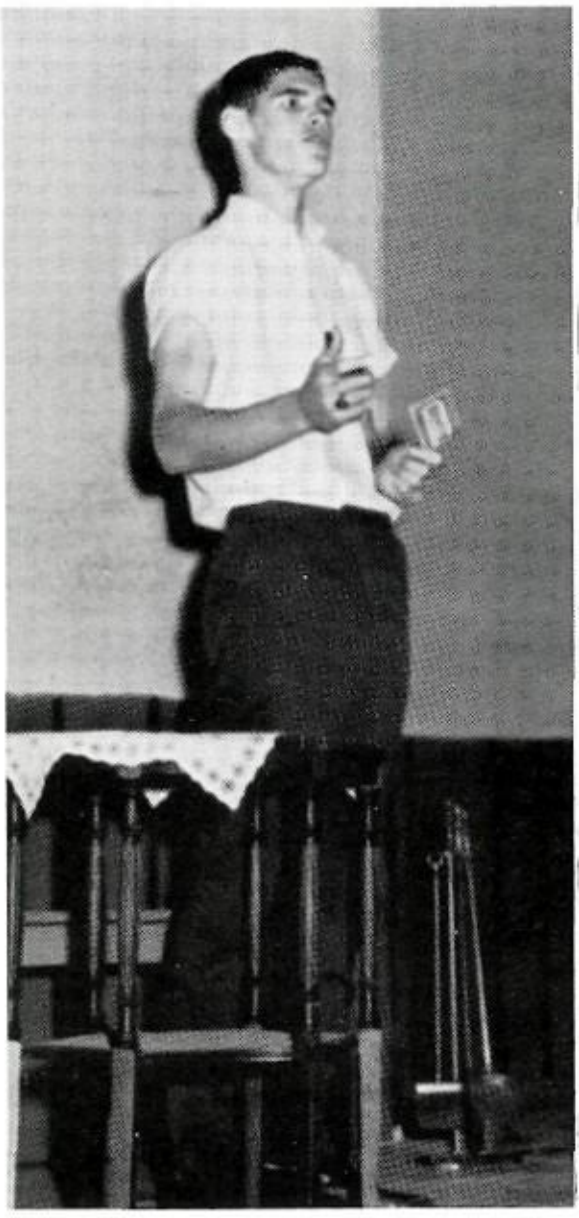
PRODUCTION DIRECTOR
Miss Patricia Vander Beek

Printing presses, counterfeit bills, comedy, all spelled "Mr. Barry's Etchings" presented November 15, 16, and 17 by the Drama Department.

The three act play centered around Judson Barry's unusual hobby of etching. Tired of printing cathedrals, he tries his hand at etching a fifty dollar bill, a 'perfect' bill.

Once prosperous Stanwick was rapidly becoming a dead town when funds like 'manna from heaven' strangely appeared bringing the town back to prosperity.

"That statue on the Hill." Half a horse standing up there like that in broad daylight!



"I was bored at the time with etching cathedrals, and this somehow presented a challenge . . . "

"Now you see what I mean—I need you around . . . "

Educational Theatre

Is a new innovation at West Ottawa High School. This Spring the West Ottawa Chapter of the National Thespian Society will produce the first annual Educational Theatre Production.

Normal high school dramatics is confined by conventions and demands placed upon it by the need to attract and please an audience. This is particularly true at West Ottawa as our theatre program is to a great extent self-supporting and dependent upon ticket sales for its perpetuation.

In Educational Theatre we are concerned only with the learning experience provided for students involved in the production. In order to provide a rich learning situation, we will ignore many of the conventions and tabus of the high school stage. We will strive to produce plays based on their literary and educational value. Although we will invite and anticipate an audience, they will be there as the guests of the students.

The audience will see a learning experience. This does not mean that the plays will not be enjoyable. We feel that many in our audience will find these plays to be the most enjoyable of the year.

Our "Educational Plays" will be produced under the direction of a member of the faculty staff with many of our most capable students on stage and backstage. We will produce plays of noted or even great playwrights. Each production will be in full costume, scenery, lights, etc. In other words, each play will be a full scale production.

This year's Educational Theater Production will be THE GLASS MENAGERIE by one of America's most outstanding authors, Tennessee Williams.

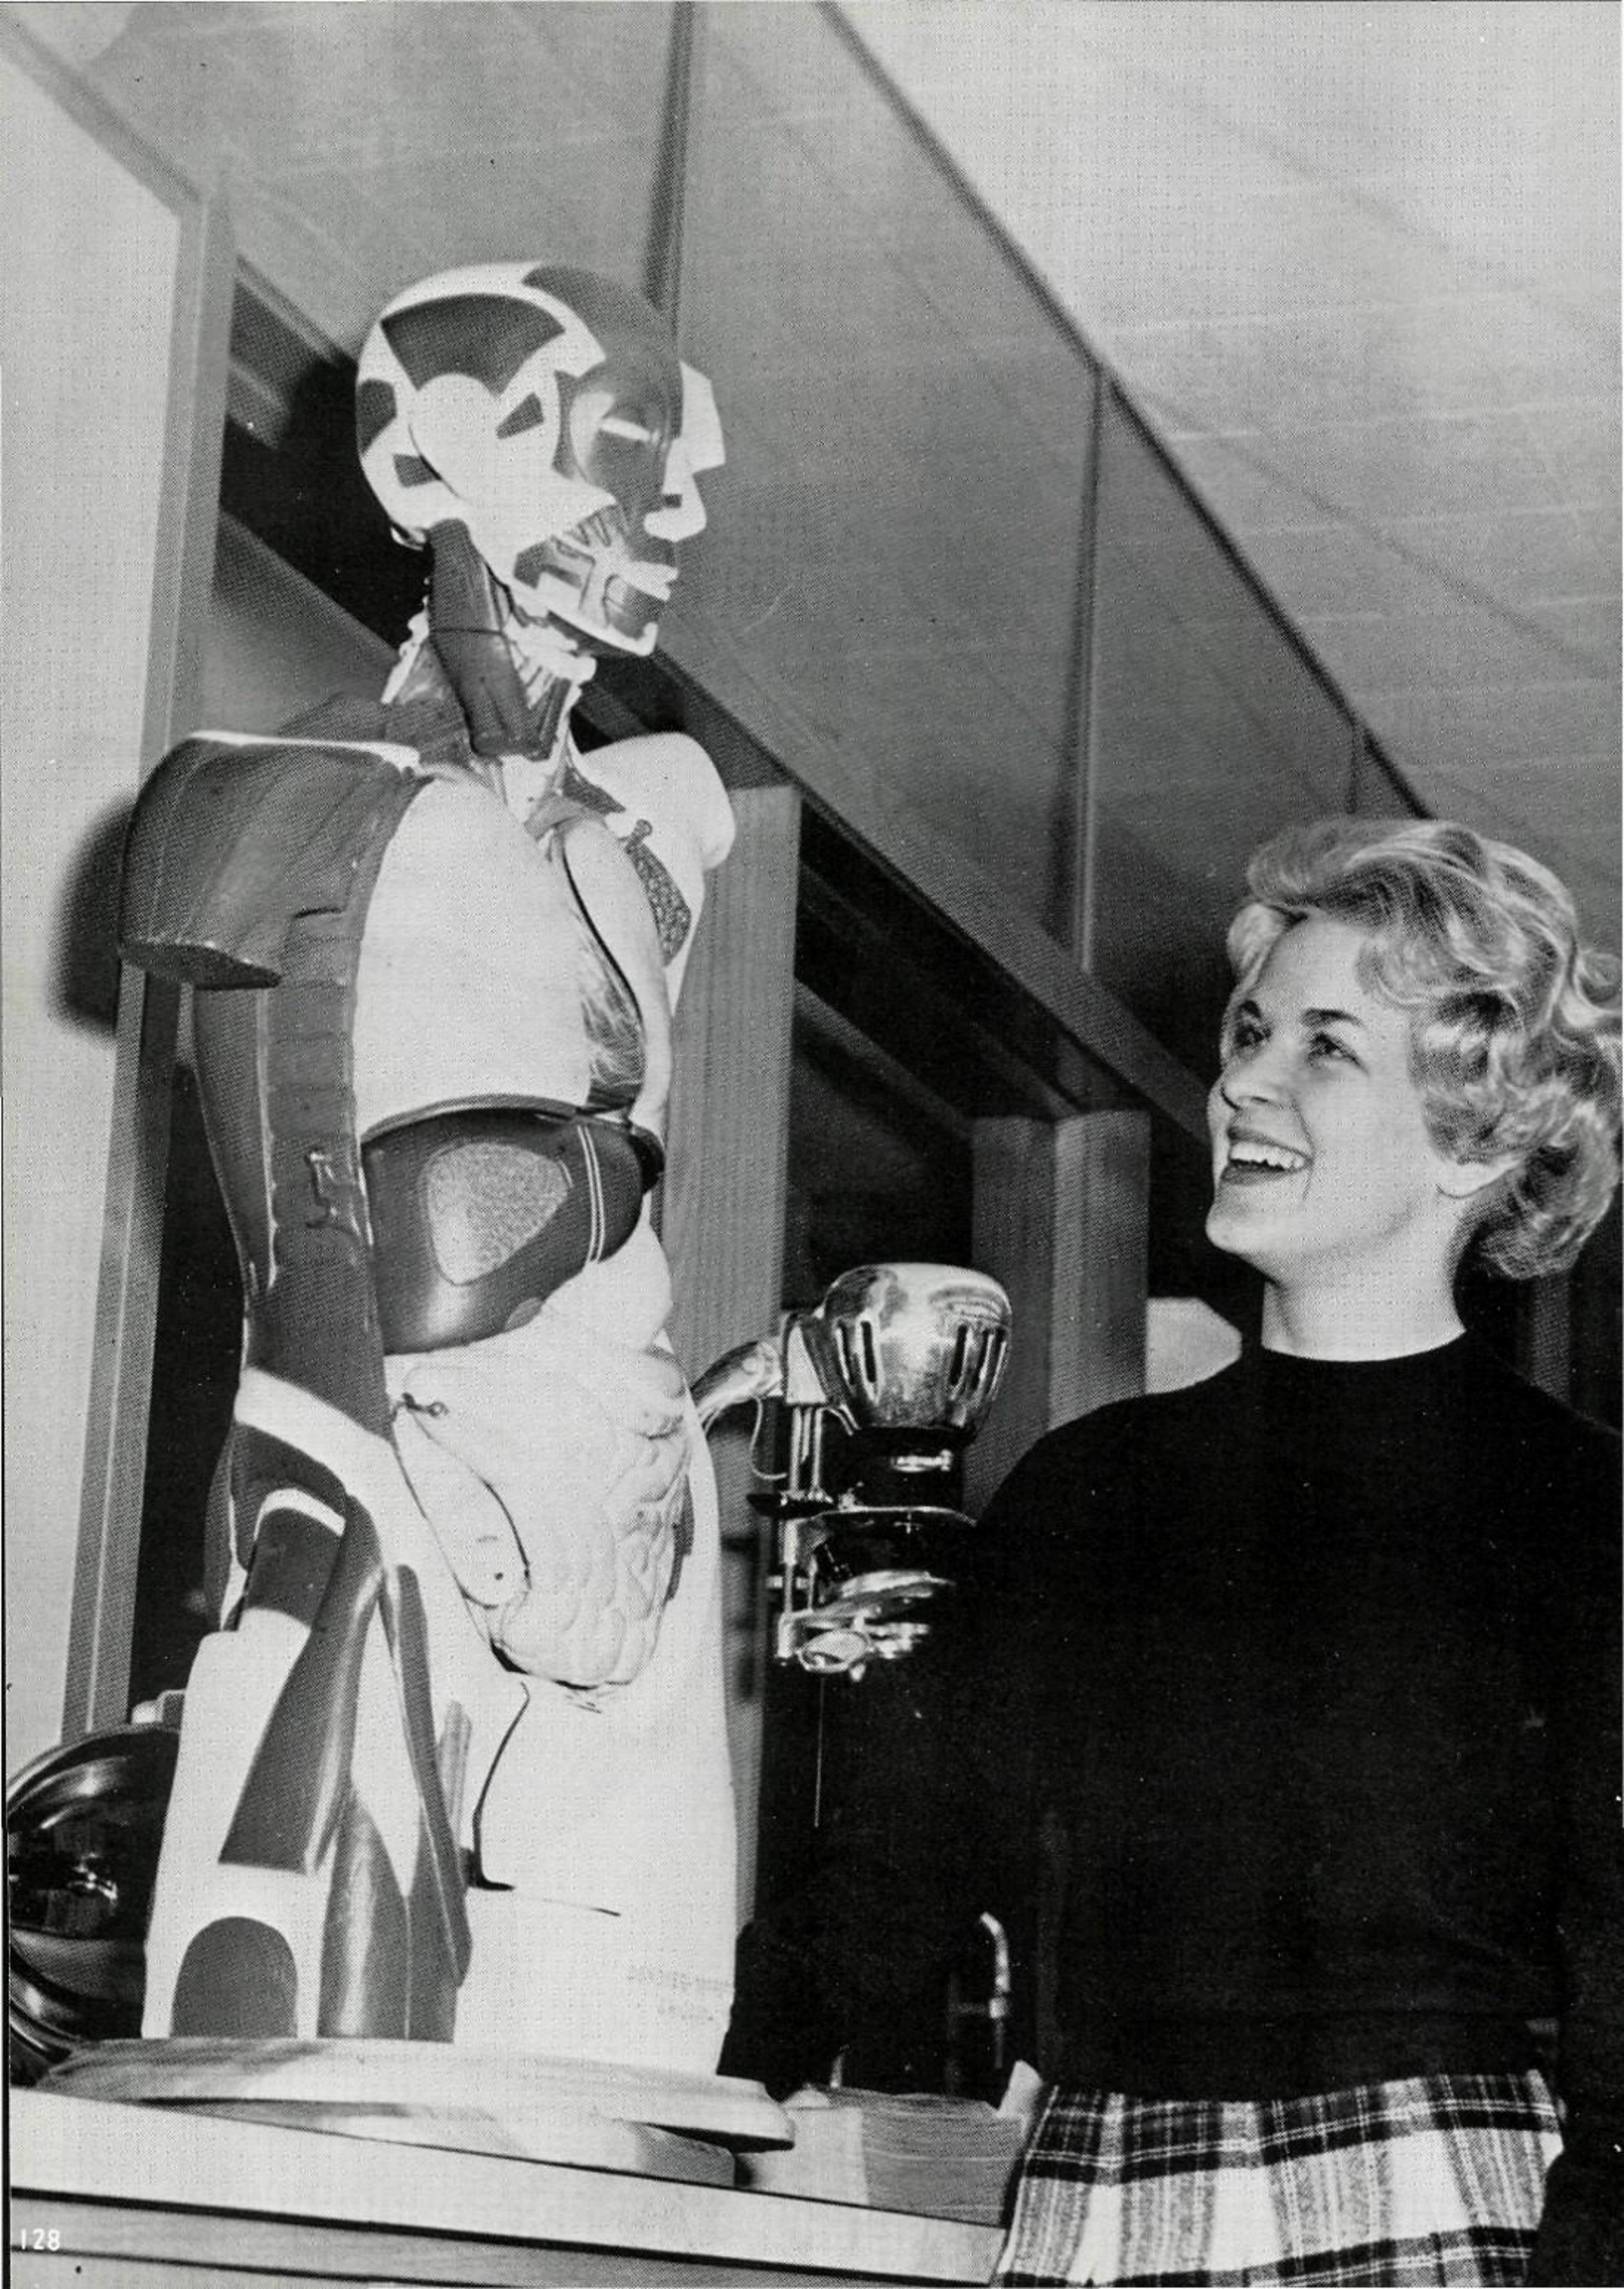
A typical day in the life of a senior is filled with many memorable events. The gift of knowledge is at our finger tips and we discover new things that can make one hold his breath . . .

A Day in the Life of a Senior



. . . and the proofs, the figures, were
ranged in columns before us,
and we were shown the charts and diagrams,
to add, divide, and measure them . . .

. . . I know not how such things can be
I only know there came to me
A sound as of some joyous insight
And, through and over everything,
Came a sense of glad awakening . . .

When high school years are over for us all
And time and flight have run with us the race
There'll be a moment of recall
When each love and laugh will fall into its place.

Sentimental perhaps, as memories often are
Serious perhaps, as recollections may be
Old things once more to be remembered
New things we just begin to see.

A teacher that we liked especially well
A class we never shall forget
Though now its hard for us to tell
To whom or what we owe our greatest debt.

Dear Linda,

Thank you so much for your letter. I'm sorry I haven't written sooner but I've been very busy. I hope you're all well. I'm sorry to hear that you've been unwell. I hope you feel better soon. I'm sure you're looking forward to seeing your family at Christmas. I'm looking forward to seeing you too. I've been very busy with my studies. I've been painting a lot and I've been to the theatre a few times. I've been reading a lot too. I've been very busy with my studies. I've been painting a lot and I've been to the theatre a few times. YEARBOOKS

Dear Audrey.

I see you saved me a whole page to write on so I'll have to work hard and try to fill it all up. I hope you had a good time this year, I know I did.

It looks like I'll have to work harder because I ran out of words already. Now let's see, what's coming up next? Oh! I know (that's something ain't it, that I, little old me, knows something) summer is coming. I hope you have fun then too.

Oh! I know what to write about! I got a joke for you. What's green all over and has wheels? (Don't know, huh. Well I'll tell you. GRASS (I was just kidding about wheels) that was a funny one wasn't it? I thought so too.

Isla

P.S. I hope you can read this, it's such a mess. And I don't even have the bus driver to blame for shifting or stopping or going over bumpy roads. Well, I made it.
